#1 Knowing the God of Jonah by Kristie Gant

(8 wks) 4/15-6/3 \$17 ISBN: www.inpraiseministries.com Teacher: Sally
The account of Jonah doesn't just tell us about Jonah and his interactions with sailors, large fish, and Ninevites! Rather, it tells much about the God of Jonah: the God Who spoke, Who demanded obedience, Who commands nature, Who taught, Who loved, and Who saved an entire city that deserved His wrath. Through this important narrative, the Lord of Creation reveals Himself and His character in many ways. *Knowing the God of Jonah* focuses on the attributes of God revealed in this story: attributes relevant to believers, unbelievers, those faithfully following Him, and those in rebellion.
